STATE CORPORATION COMMISSION

CASE NO. PUE-2009-00136

In re: Po River Water and Sewer
Company's proposed revised rates, rules,
and regulations

HEARING EXAMINER'S RULING

July 23, 2010

On March 25, 2010, the State Corporation Commission ("Commission") entered an Order for Notice and Hearing ("Procedural Order") docketing the request of Po River Water and Sewer Company ("Company") to increase rates and revise portions of the Company's rules and regulations on file with the Commission. Among other things, the Procedural Order scheduled a public hearing on July 28, 2010.

By Ruling dated July 22, 2010, and in response to a motion filed by the Indian River Acres Club of Thornburg, a respondent in this case, the evidentiary portion of the public hearing was continued generally but the July 28, 2010, hearing date was retained for the limited purpose of receiving the testimony of public witnesses.

I find the evidentiary hearing relative to the Company's request should be rescheduled. Accordingly,

IT IS DIRECTED THAT the evidentiary hearing on the merits of the Company's request to increase rates and revise portions of its rules and regulations shall commence at 10 a.m. on August 18, 2010, in the Commission's Courtroom, Second Floor, Tyler Building, 1300 East Main Street, Richmond, Virginia.
