## "Humbleness" At the Acres Challenge

This April, we're focusing on humble acts: the small, meaningful things people do without expecting recognition. Whether it's lending a hand, cleaning up behind the scenes, or simply choosing kindness, these moments reflect the heart of our community. We want to shine a light on the humbleness happening right here at Indian Acres.

### ♦ How to Participate:

Tell us about a humble act you've seen at Indian Acres this month.

That person will be entered into a prize drawing, and their story may be featured in our May newsletter to inspire others.

✉ Submit your humble act by:

✉ Emailing us at [officeasst@indianacres.org](mailto:officeasst@indianacres.org)

✍ Filling out a card at the office

APRIL IS FINALLY HERE!!!!!!

I have wonderful news everyone!!!!

## Site Control Handbook

The new Site Control Department Rules and Regulations handbook is done!!! I would like to thank the Site Control Committee for all their hard work in making this happen and so quickly. So, if you would like a copy you may stop by and pick up a copy or download it off the website.

Starting to see a lot of people rolling in to get things ready for the open season. Please remember to get your permits ahead of the project being done and post them. All permits must be posted on the lot before any work is started to avoid penalties.

## Upcoming Event Reminders

Don't forget to come out for the Educational Session on April 5, we will be hosting Lori Mitzel, a Master Gardener. We will start at 1:30 right after the Town Hall meeting.

Then on May 3, 2025, we will be hosting the Fire Department. They will be sharing lots of wonderful information with us about fire safety.

Hope to see everyone out for both wonderful sessions.

DON'T FORGET OPEN HOUSE APRIL 12TH AND 13TH. We will be up in the mix to answer all your questions and have applications for all your permit needs. Including the county paperwork for that New Shed you may want to purchase.

## Electrical Risers

Let's talk about Electrical Risers for a minute. We have found that some property owners are putting chains and cables on these. That is not allowed. Maintenance needs to be able to always access these Risers and not have to wait on someone to remove a cable or chain. They will be cut and left. So, if you have one on your riser please remove. Also, no covers on the risers are allowed either. I have seen a few with buckets on top of them as well. When we ride by, we cannot tell if there is smoke or something else that may be going on that needs immediate attention if you have it covered.

## Road Work

Many have commented on our roads being done. Please be courteous while doing work to your lot. Take care of how you back out into the road with your equipment, so you don't tear the roads up. If you do that, it causes more work that has to be done to fix the issues. Remember you are responsible for all the damage done to your lot and surrounding lots by your vendors.

Many new property owners are joining us at IACT. Give a courteous Hello and maybe a few pointers that would help them along the way,

HAPPY CAMPING AND WELCOME SPRING!!!  
MAGGIE GOMEZ, SITE CONTROL DIRECTOR

## Glen 2 (Algonquin Territory)

Hello Glen 2 campers and welcome back to another camping season!

Our next meeting will be April 26th at lot 304, 1 pm (this is a change from the previous date).

We will be discussing Glen events, dam updates, as well as any updates from the board for the upcoming season. If you have any questions or concerns, please plan on attending this meeting.

The BOD is continuing to work on access for our common area while completing the dam project (our common area is directly on the water across from the Sportsman's Club). We hope to have this resolved soon. We will be planning a cleanup effort once we have our access issue taken care of. All Glen fundraising is for a pavilion in this area.

The Glen Council has requested we remind our property owners that the dumpsters located at our bathhouses are for HOUSEHOLD trash only (NO furniture, scrap metal/wood, etc.). Please let your Glen Chief know if you need information about the landfill for larger items.

Join the Glen 2 Facebook page here <https://www.facebook.com/groups/glen2iact/> or email the Glen 2 chief at [glen2chief@gmail.com](mailto:glen2chief@gmail.com)

## Glen 3 (Navajo Territory)

Welcome to the 2025 camping season, Glen 3 Funsteaders!

The activities calendar is starting to get filled up. On Saturday, April 5th,

IACT has scheduled a Spring Clean-Up Event. Usually that means there will be extra dumpsters up by the Trading Post and IACT Maintenance will pick up bagged leaves from your lot. The leaves must be in biodegradable bags and you have to tell IACT Admin your Glen and Lot number. There will be another of these Spring Clean-Up Events on Saturday, April 26th.

Also on April 5th, IACT Board President has scheduled a Town Hall-type meeting at the Clubhouse from 11 AM-1 PM to talk about Lot Sales inside IACT. This event is in preparation for the IACT Open House event scheduled for Saturday, April 12th and Sunday, April 13th from, 10 AM – 4 PM each day. If you have friends, neighbors, or relatives that might be interested in becoming IACT members, this event is a good one for them to attend.

On Saturday April 12th at 11 AM, the glen chiefs will meet for the first-of-the-season Glen Chief Council meeting. At these meetings, Glen Chiefs can bring issues from their glen property owners that can be dealt with at the Glen Chief Council level or elevated to the Board of Directors representative. We also gab about other glen activities. These Glen Chief Council meetings are scheduled for every 2nd Saturday during the camping season (April-October).

Glen 3 Glen Chief, Tim Waggett (Lot 73), is calling for a glen cleanup event on April 5th.

At an event like this, we usually try to spruce up the common areas in our glen which are around the bathhouse pavilion, at Eagle Park which is on the entrance road from Tonto Drive, and at the Glen 3 boat ramp which is also the entrance to Glen 3 from Glen 4. The glen chief will be up at the bathhouse pavilion at 9 AM with a utility trailer, blower, and rake to remove any unwanted leaves. Participants can bring their own blowers and rakes to help. If you have bagged leaves at your lot, we may be able to swing by and grab those to take them off-property to Berkeley Landfill.

On Saturday, April 19th we will have our first Glen 3 Glen Meeting at the bathhouse pavilion area. The time is 5 PM. Bring yourself and your ideas as to what other fun stuff we can do together as glen funsteaders. We will have more details on IACT scheduled activities by then and between the glen chief and Assistant Glen Chief, Donna Keiningham (Lot 187), we will get those specifics to you at the bathhouse bulletin board, the IACT May Campground News, and on the Glen 3 Facebook page [www.facebook.com/groups/glen3navajo](https://www.facebook.com/groups/glen3navajo).

YOU CAN contact your glen chief and other Glen 3 property owners on the

Glen 3 Facebook page [www.facebook.com/groups/glen3navajo](https://www.facebook.com/groups/glen3navajo).

YOU CAN find more IACT information on the 'Official' IACT web site [www.indianacres.org](http://www.indianacres.org) or Facebook page

Earth Day is coming soon. 2025 Theme: "Our Power, Our Planet," and with Solstice prep and Spring cleaning to do, let's move forward to make positive changes to Glen5. Clean lots improves the health, wellness and outdoor experience for all campers. Plant a tree, start a garden or just a touch up makes a big difference. Many exciting events ahead and we want to look our best! Spring is the perfect time to make it happen...It's when IACT comes to life!

GLEN-2-GLEN - collaborations are underway and we extend an invitation to you to get involved. Glen activities bring members together throughout the Acres. Get to know the Chippewa Tribe and Help organize Parades, Glen Stops and other fun stuff with fellow Glens.

G5 Activity Gear Up - Love hanging out? Many of us are open-door, campfire-to-campfire folks. We encourage you to visit, get to know your neighbors and let us know who you are. Believe me, we see you're a cool camper and we want to know you too. When riding around, stop by, say Howdy, and let's hang out 🍷

Hello Spring! It's been great to see the activity around the glen this past couple of weeks with people starting to come out of hibernation and starting to get things open for the camping season. Our April glen meeting has been cancelled due to the IACT Open House being the same day. There's so much going on, so be sure and check out the official IACT Facebook page or website for details.
