## SITE CONTROL NEWS

540-582-6314 #2

Halloween is all over and the new Season Has Begun.

I would like to welcome our new Site Control Committee members and can't wait to see what the new year brings.

2024 to 2025 will be an amazing year and opportunity to continue to get out beloved Indian Acres cleaned up for the Spring season. Remember if you have some time and would like to clean up a lot in your Glen or even other Glens feel free to get with the Glen Chief or reach out to Me in the Site Control Department and we can help that happen. Many have reached out in the past few months about things in your Glens and others that you see. Yes, it is a process that I must follow but we appreciate all the help we are given in the situation of abandoned lots. Hundreds of letters went out the last few months for unsightly lots and we shall continue with those throughout the new season as well.

If you have not had a chance to look at the New Site Control Manual, I suggest that you do so. Some changes were made that benefit the property owners. The biggest one most property owners was excited about was the increase in Structure sizes. The new structure's size is 256 sq ft. EXCEPT DOCKS that remains at 200sq ft. As always, my email is open to all if you see something you think needs to be addressed, please feel free to reach out to me. Everything thing that comes into this office as either a complaint or compliment about a property owner is kept 100 percent private.

Again, thank you for an amazing 2023-2024 Season and let's see what 2024-2025 brings.

Happy Camping Everyone,  
Maggie Gomez  
Site Control Director

# NOVEMBER 2024 GLEN NEWS

## **GLEN 3**

Because of the great weather and how big Halloween has become, the golf cart parade was bigger than ever with over a hundred and fifty participants. Glen 3 had 16 golf carts, two floats and a tractor. The glen won 2 ribbons and several individual lots won ribbons also. It was great to see so many new Glen 3 faces in the parade. Glen 3 sold quilt raffle tickets at the flea market and funnel cakes at the Tee Pee. Glen 3 camper, Valery Millar won the quilt drawing. Other IACT Halloween events rounded out a busy Saturday which was full of fun activities for kids and adults.

Have a wonderful Thanksgiving holiday. Thanks to all our Veterans out there too!

The Glen Chief makes periodic visits to 'the Acres' and if he sees anything 'funny' in the glen, he will go through the Admin office to notify you. If you want the Glen Chief to check something on your lot, please feel free to leave a voicemail on his cell phone (703-919-6291).

Remember to please REMOVE your leaves to Berkeley Landfill (directions at the Gate Attendants shack) and please do not blow your leaves into the lake or onto another property owner's property.

IACT has scheduled a Fall Cleanup for Saturday November 9th and November 16th. You may obtain biodegradable bags from the Admin office while supplies last. You need to call Admin (540-582-6314) on the Friday before and tell them your Glen and Lot number for maintenance to pick up your bagged leaves that are in the biodegradable bags. There will be extra dumpsters available for trash and household items located behind the Trading Post.

Keep watching the official IACT Facebook page (<https://facebook.com/groups/indianacresthornburg>) and the email blast sent out for any more fun activities coming in the off-season such as the New Year's Eve event that has happened in the past and for the cleanups. If we see anything, we will repost it on the Glen 3 Facebook page.

If you are new to Glen 3 or have not done so yet, please request to join our Glen 3 Facebook page ([www.facebook.com/groups/glen3navajo](http://www.facebook.com/groups/glen3navajo)). It is strictly for Glen 3 property owners ONLY.

We would like to thank the Indian Acres staff for another successful camping season.
