Site Control Committee Meetings Now on the 4th Saturday

Site Control Committee meetings have been changed to the 4th Saturday of the month. They will no longer be held on the 2nd Saturday of each month. The open session times will be posted prior to each meeting and placed in the weekly blast. If you do not get the weekly blast or the monthly newsletter, please let me or Wesley know, and we will get you set up. It always has wonderful information for upcoming events and happenings in IACT.

Flood Zone Reminder

It has been brought to our attention that when new property owners are buying lots in the flood zones, they are not being told this information. If you do not know if your property is in a flood zone, please contact us and ask. There is a map in the Site Control office that states the Flood Zone for your viewing. As for the county prohibits the building of any decks, sheds, platforms - pretty much everything in this area. So again, when in doubt ask.

Do I Need a Permit?

Many have stopped by the office to get the necessary paperwork for improvements on their lots. Please remember that if you are unsure whether you need a permit for a particular improvement please reach out and ask. I would rather you ask questions than do things that could potentially get you in trouble and potential fines.

Upcoming Site Control Seminars

Don't forget that this Saturday, March 1, 2025, from 11-1pm, that Matt from Po River Water & Sewage will be at the clubhouse to meet with members and answer any questions. Matt will be able to answer all your questions and will be speaking on Sanitizing your water lines when the water comes back on to your lot. If you're unable to attend, you can email your questions to IACTSITCONTROL@INDIANACRES.ORG before noon on Friday. Please include your Glen and Lot number with your name and we will respond by email in a timely manner.

April 5, 2025, we will be hosting Master Gardener Lori Mitzel. This will be at 1:30pm following the Town Hall in the Clubhouse. So come on out and learn how to plant native perennial plants and bring in nature to build habitats for the birds and animals. She will also be covering what plants to stay away from when purchasing that could potentially be harmful to the environment.

If you live in Virginia, then you are eligible for free trees! You can plant them at home, or you can plant them at Indian Acres. While there is no charge, they do ask that you donate five dollars per tree if possible. Pick up is Saturday April 5, 2025, <https://www.treefredericksburg.org/>

As always, we wish each of you a very Happy Camping Season, you can always stop by and ask questions or email me directly at iactsitecontrol@indianacres.org. If you have an idea for an educational session that you would like to see shoot me an email and let me know. We shall see if we can make it happen.

Happy Camping
Maggie Gomez, Site Control Director

IAC T Glen News

Glen 1 (Seneca Territory)

We would like to say hi to Glen 1 and welcome owners of Glen 1 to join our Facebook group
<https://www.facebook.com/share/g/15AVnRPPIJ/?mibextid=wwXlfr>

Glen 2 (Algonquin Territory)

Hello Glen 2 campers and welcome back to another camping season!

Our next meeting will be April 12th at lot 304, 1 pm.

We will be discussing Glen events, dam updates, as well as any updates from the board for the upcoming season. If you have any questions or concerns, please plan on attending this meeting.

The BOD is continuing to work on access for our common area while completing the dam project (our common area is directly on the water across from the Sportsman's Club). We hope to have this resolved soon. We will be planning a cleanup effort once we have our access issue taken care of. All Glen fundraising is for a pavilion in this area.

The Glen Council has requested we remind our property owners that the dumpsters located at our bathhouses are for HOUSEHOLD trash only (NO furniture, scrap metal/wood, etc.). Please let your Glen Chief know if you need information about the landfill for larger items.

Join the Glen 2 Facebook page here
<https://www.facebook.com/groups/glen2iact/> or email the Glen 2 chief at glen2chief@gmail.com

Glen 3 (Navajo Territory)

The start of the active camping season is getting close now! Hopefully the weather will be calm in March, but then again, maybe not!

Activity planning at IACT is ramping up. The Glen Chiefs met with the IACT President, Rita Rose and the Recreation Department Director, Carolyn Washington-Newman, to talk about Golf Cart Parades, Golf Cart Parade Themes, and other Glen-sponsored events. The Glen 3 officers met to talk about Glen 3 activities for the upcoming season. The Glen 3 activities schedule will be posted at the bathhouse starting in March (even though the water will not be turned on to

Glen 3 until April) and will also be posted on the Glen 3 Facebook page (www.facebook.com/groups/glen3navajo)

Indian Acres is interested in helping property owners get their lots cleaned up and ready for the camping season. Spring Cleanup is scheduled for April 5th and April 26th. Keep an eye on the IACT e-mail blast, the IACT official Facebook page (www.facebook.com/groups/indianacresthornburg), and the Glen 3 Facebook page for details as they become available.

IACT has an Open House event scheduled for the weekend of April 12th & 13th.

Since we are all club members, I would encourage all of you to talk up Indian Acres to your friends, family, and neighbors and tell them about the good things there are to be experienced here. There are a variety of ways to become an IACT club member and property owner. One way is to check out the IACT Take Back Program. The Take Back Program is administered by IACT and is an opportunity for you or a friend to revive a dead, delinquent lot in IACT and make it an active, current lot. Terms are VERY reasonable. Find out more by going to the official IACT web site: www.indianacres.org

Your Glen Chief, Tim Waggett (Lot 73), hopes to see you soon at 'The Acres'. Call or text at 703-919-6291.

Glen 8 (Delaware Territory)
